I. Role of the Team Manager

Team managers help to set the tone for success on our teams. They are an invaluable part of our organization and we are very grateful that you have volunteered to help promote and support our soccer programming.

Primary Roles and Responsibilities:

- Ensuring the roster is accurate and that all players have registered for the Club through LeagueApps and through the correct State Association
- Card everyone through the appropriate organization (e.g. MSYSA), have your roster approved; keep printed cards and approved roster on hand for all games.
- Being carded as a manager in the MSYSA system. This includes a background check and completing required training.
- Ensuring the team is registered for the right number of approved tournaments per age group. Please see the Tournament section for instructions on how to register.
- Supporting the coach at parent events and meetings.
- Manage TeamSnap
- EDP ONLY- Ensuring that referees are paid at game time and submitting referee reimbursement requests. Entering home game schedule in gotSoccer, generating game cards from GotSoccer and recording scores.
- NCSL ONLY - Completing game day “blue cards”. Process game changes.
- Apply and check in for all tournaments
- Organize at least 2 team bonding events per year.
- Directing parents to appropriate points of contact within the Club for questions.

II. Key terms and phrases

CCL-Club Champions League

ECNL-Elite Clubs National League.

EDP-Elite Development Program

gotSoccer- A website that youth soccer clubs, leagues, and tournaments use to register teams and set schedules and record results

LeagueApps- Bethesda SC's new registration software for the 2019-2020 season. LeagueApps is where the club registers players for tryouts, keeps track of registration fees, and where players apply for Scholarships

MSYSA-Maryland State Youth Soccer Association. The MSYSA is the governing body of Maryland Youth Soccer. Their registration software is StackSports.

NCSL-National Capital Soccer League

StackSports- StackSports is the registration platform for MSYSA. All players who are playing in the state of Maryland must register through MSYSA except for players playing in **ECNL**.

III. Carding, Rosters and Game Reports

ECNL Carding

Managers are required to be carded in the ECNL league. All ECNL carding will be completed internally by our ECNL Administrator Emily Janss. Emily will provide you with your cards and rosters and will contact you if any additional information is needed.

MSYSA Carding (CCL, EDP, and NCSL)

General Information on Manager Carding and Access

Once again for the 2019-2020 season all teams/players playing in CCL, EDP, and NCSL will need to be carded through the Stack Sports system. There is some bad news and good news that comes with this. The bad news is that all managers and coaches will need to undergo a background check and complete two trainings as required by the state. This includes managers who served as managers last year and managers of our Super Y teams. All trainings that were completed by the state prior to **August 1st, 2019** are now expired and will not be accepted.

The good news is that Managers will have greater flexibility this season in reviewing their rosters and uploading documentation. With additional access in the MSYSA system managers will have a better sense of the progress that their parents are making, will need less oversight from the Bethesda staff, and will hopefully reduce the amount of pressure to have carding done at the last second.

General Information on Player Carding (Players who live in Maryland or Washington D.C.)

All players that were members of Bethesda Soccer Club last season have had their registration rolled over to this season. What this means is parents **will not** need to re-enter all their information again. However, they still do need to login to the accounts they set up last year and make sure their information is up to date. The major reason for this is to make sure that health insurance information is up to date, that their proof of birth documents have not expired, and that they have not had a change in address. Parents will also need to make sure that the name of their player matches what is on their proof of birth document (This is a new requirement for 2019-2020).

For parents to register they will need to click on the following link and login with the email address that they used last season. If they do not remember their email address have them contact Stack Sports at 1-866-892-0777. **Stack customer support is available in English and in Spanish.**

Players that are new to the club will need to register through the same link and complete the process from scratch.

General Information on Player Carding (Players who live in Virginia who will be playing in Maryland)

For players who live in Virginia the process is a bit more complicated.

1. They will need to register through VYSA's website through the Out-Of-State Player Link: <https://vysa-outofstate.sportsaffinity.com/reg/index.asp?sessionguid=&domain=vysa%2Doutofstate%2Esportsaffinity%2Ecom> (If they went through the same process last year they will have an account and will need to login. If they do not remember their login information at 1-800-808-7895)
2. After completing the online registration and paying the fee they will then be asked to print out a form called the Interstate Permission Form. They need to print, sign, and email the form to registrar@vysa.com . **Until they receive an approval from a state official they cannot proceed to the next step.**

3. Once they have received an approval for the transfer then they can register through the Maryland portal. Their information was stored from last year so make sure that they login with the email address that they used last year.

Step-by-Step Breakdown of the Team Carding Process

Step #1: Managers and Coaches Complete Their Background Check and Trainings

Step #2: Managers and Coaches will send their parents the links to register for registration.

Managers can view the progress of their teams by going into their Club and League Connect Account and finding their team on the left-hand side of the page. If a parent has completed their child's registration but does not have a photo and/or a proof of birth document please contact our Office Administrator Zane Campbell at zcampbell@bethesdasoccer.org. All players will be age verified by a member of the Front Office.

Step #3: Once you believe that all of your players have been registered please contact the club's registrar Deb Warsaw at [dwarsaw@bethesdasoccer.org](mailto:dwarshaw@bethesdasoccer.org).

At this point the club will do a full review of the team and make sure that all the following items have been completed:

- That all coaches and managers have had their background checks and trainings completed.

- That all players have either a payment plan set up or have paid their club dues in full.
Players must also not have an overdue balance on their account for any programs.

- That all players have a clear photo of them on their MSYSA account page and that they have been age verified.

- That all players have a uniform number listed.

If any of the following issues arises then the manager and coach will be notified of what changes need to be made before the team can be approved.

Step 4: Printing Rosters and Cards

Once the team and/or player have been approved the manager and coach will receive an email notifying them of their approval. They will be cc'd on an email with Linda Norton who will print the roster and cards. Linda will work with the coach and manager on a time for them to stop and pick up both items (Please bear in mind our office hours are from Monday through Friday 9am-5pm).

Manager Access in MSYSA

BSC Managers Handbook 2019-2020

Starting with the 2019-2020 season managers for teams in the EDP, CCL, and NCSL will now can access their rosters in Club and League Connect (which is where all rostering and carding is done for MSYSA).

What will managers can do?

Managers will have the ability to review the current status of their roster (i.e. what players and coaches have been approved), add uniform numbers, add guest players, download medical release forms, and print their cards.

How do you login:

https://login.stacksports.com/login?client_id=5ac2ac1d6d9d3b028a146c97&redirect_uri=https://www.secure-sam.com/bethesdasoccer.msyalive.org/sam/virtual_login.php

When you log in you should see a screen like the one that is below. You should not be in the "TeamConnect" Section. Please note the passwords are also case-sensitive.

Boys YDP (8-12)- Username: ydpboys@bethesdasoccer.org Password: Bethesda19!

Girls YDP (8-12)- Username ydpgirls@bethesdasoccer.org Password: Bethesda19!

Boys State Cup (SC) (13-19) - Username: scb@bethesdasoccer.org Password Bethesda19!

Girls State Cup (SC) (13-19)- Username: scg@bethesdasoccer.org Password Bethesda19!

How do you print your roster?

- Log into Stack Sports via the username and password provided above (YDP or SC email)
- On the left-hand side, find your team by filtering down until you can click on your team name (Blue 06)
- After clicking on your team, you will see your roster with your players as well as Manager and Coach (if they have done the registration)
- In the top right corner of the screen you will click "REPORTS" ----> FOLDERS/TEAMS ----> ADMIN ROSTER (select official roster for 2019-2020 from drop down list). This will generate a .PDF of your roster to be able to print

How do you print your cards?

- From the same team page, you will click "MEMBERS" -----> "PRINT MEMBER CARDS"
This will generate another PDF with all the Team's Cards.

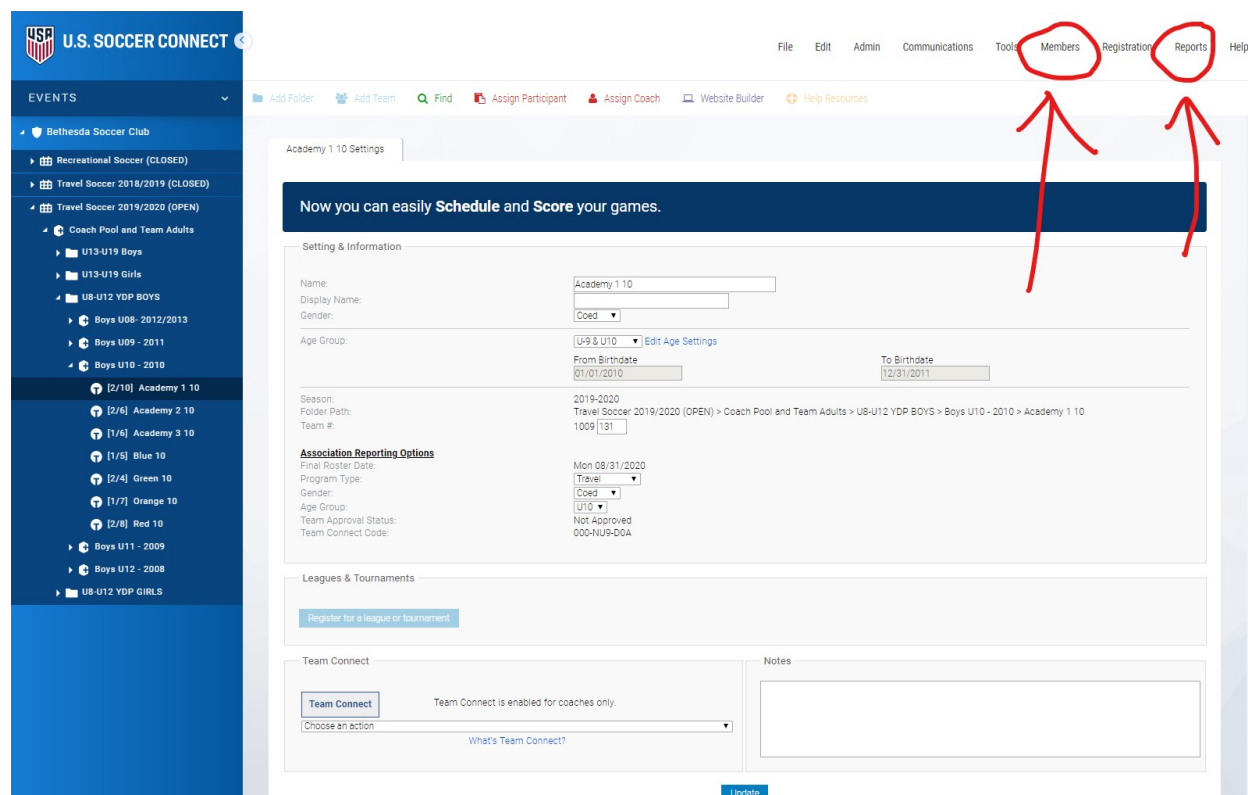

****If you run into issues where it does not generate your player cards (giving you an 'Error 500 message', you will need to do clear your browsing history. Once you clear your history, you will need to restart the browser. (This happened to me) Also, this system tends to work best if you use Google Chrome****

Where can you find the medical release forms?

After your login and find your team from the menu on the left-hand side scroll down the page until you see your roster. Right below the names of yourself and your coach you will in blueprint [Print Medical Release Forms for Team Roster](#). Click on that and a PDF of your club's medical release forms. Print out the forms, have your parents sign them, and then hold on to them for safe keeping. They are typically only used for tournaments and will not be requested for league matches.

Where can you enter uniform numbers? When you are on your team page and you have located your roster, you will notice there is a column for jersey #. In that box is where you can enter any outstanding jersey numbers. Once you have edited the roster scroll up the page right above where your coaches information is located and hit the blue box labeled Update.

BSC Managers Handbook 2019-2020

BSC Front Office Carding Hours

To be able to ensure all tournament and league requirements are met for carding and rosters BSC will not card or roster players after **5pm on Fridays**. This includes approving players and rosters, player transfers, and guest players being added.

We understand that families have other priorities and that the carding process can be quite difficult. Parents who are not tech savvy or not strong with the English language are welcome to call the office and schedule an appointment to come in and register their player. If you know of any parents/players on your roster that would benefit from this, please have them call the main office and schedule an appointment with our Office Administrator Zane Campbell or our Marketing and Communications Coordinator Sean Maslin at 202-224-7363

In addition, parents can also contact Stack Sports at 1-866-892-0777. **Stack customer support is available in Spanish and their hours of operation go until 10pm EST Monday through Friday.**

For picking up approved rosters and cards please let us know if you cannot make it to the office during normal business hours (9am to 5pm).

Game Reports (NCSL LEAGUE ONLY)

In addition to their MSYSA Cards, managers in the NCSL will need to pick up their blue game cards for league matches. Blue cards will contain basic information about the team and match information on game-day. These will be available at the BSC office at the start of each season.

If you are having trouble logging in to your NCSL page please contact Shawn at shawn@bethesdasoccer.org

IV. The Bethesda Premier Cup Tournament

The Premier Cup Tournament represents the largest fundraiser for the Club. This event allows us to provide scholarships, secure top-quality fields, assist with travel, and subsidize player fees. The support of all our teams, players, coaches and families is imperative to running a successful event. Each family is expected to help support the tournament by donating volunteer time over the course of the event. This can be as Field Marshalls, parking attendants, age-group coordinators, check-in volunteers etc.

As team managers, you are asked to lead your team's volunteer efforts during the tournament. This can include finding a Tournament Volunteer Coordinator from your own team or serving in this role yourself.

For additional tournament information, please contact:

Brad Roos

Tournament Director

broos@bethesdasoccer.org

(240) 344-4943

www.premiercuptournament.com

V. Non-BSC Tournaments

What are a manager's responsibilities for non-Bethesda Tournaments?

Team manager needs to keep track of application deadlines for tournaments outlined in the team plan; apply to the tournaments; ensure payment and receive schedule.

How do you apply for tournaments?

Most tournaments use a website called gotSoccer which is schedules and standings for tournaments are also built.

To Apply for Tournaments and Check-In:

- Log into your gotSoccer account (insert ID and PW info here)
 - o Login link: https://www.gotsport.com/asp/users/login_menu.asp
 - o If you need your gotSoccer ID and Password, please contact Shawn Wijeratne at shawn@bethesdasoccer.org
- Search for the tournament; hit the register button and follow all screens prompts. For payment instructions, see below.
- When accepted into the tournament, go to gotSoccer, select that event, go to the documents tab and upload the approved roster and player cards in order to check-in.

How to file an e-Check

Instructions on entering “E-check” info in gotSoccer

Filing an ‘E-Check’ in gotSoccer will help expedite the process for applying for a tournament. Please follow the steps below to complete the filing process.

Step 1: Go to your team page in gotSoccer.

Step 2: Once you have logged in click on the tournament that you are applying to.

Step 3: Click on the ‘Payment & Status’ tab.

Step 4: Under ‘Payment Method’ use the drop-down arrow and click on ‘E-Check’. After that click on ‘Input New Payment Information’.

Step 5: When it asks for an account number select ‘123456789’. Same for routing number. When it asks for your name simply type in ‘Anything you want’. Beyond that you do not need to supply any more information.

Step 6: Complete the CAPTCHA security questions and check that you are not a robot.

Step 7: When you see a button labeled ‘Check Mark’ click on it and hit submit.

Step 8: Once you have completed entering the e-check information, you will receive an automatic response from the tournament, giving you the email confirmation number, the cost of the event and deadline for application/payment. Please send this entire confirmation to Linda Norton and Zane Campbell for appropriate entry of e-check information. In addition, please provide your User ID and Password.

If you run into any issues or have any questions, please contact the main office at 240-224-7363.

General maintenance of your GotSoccer page

In GotSoccer, you should go to your “home” page and:

- Update the manager and contact information
- Update the roster to match your official roster (you will need jersey numbers, carding IDs and home addresses of players which are found in TeamConnect when you print the “detailed” roster – refer to the section on teamconnect and carding)
- EDP ONLY:** select that event and go to the schedule tab: enter all home games given to you by Shawn Wijeratne. Use the chat function to negotiate times for the others.
- Tournament check-in:** go to the event/tournament then to the documents tab and upload required check-in info.

Medical Release Forms

Some tournaments throughout the year will ask you to provide medical release forms for your players. For all teams registered through MSYSA your medical release forms will be found under your Club and League Connect (in other words where you go to view your roster). To download your release forms, go to your roster page in Club and League Connect and right above your roster is the Medical Release Forms.

Click on the hyperlink and a PDF will be downloaded to your computer with all the forms. You will need to print them out and have your parents sign their child’s form and return it to you before they can be uploaded to the tournament website.

Having trouble getting in to your gotSoccer account?

If you are having trouble with your gotSoccer login/password or you need to update your team or roster information, please contact:

Shawn Wijeratne, Operations Director

shawn@bethesdasoccer.org .

VI. Referees

In most cases, payment and scheduling of referees is handled either by the league or by the Club office. However, for those teams playing in the EDP league (each team generally pays \$1 per minute; example for 70-minute U13 games, you pay the refs \$70), payment for referees must take place at the game. Managers will be reimbursed for these costs following the submission of a referee reimbursement form which is available on our website under Resources> Forms. Please send all reimbursements to:

Linda Norton, Office Administrator

lnorton@bethesdasoccer.org

If you have any questions about referees for your league, please contact:

Shawn Wijeratne, Director of Operations

shawn@bethesdasoccer.org .

VII. Schedules (Practice, Game, Weather)

Practice Schedule Questions

If you have questions about your practice schedule, please first contact your coach. If you have additional questions, please contact:

<u>Group</u>	<u>Name</u>	<u>Email</u>
Boys U8-U11	Trevor Martin	tmartin@bethesdasoccer.org
Girls U8-U11	Emily Janss	ejanss@bethesdasoccer.org
Boys and Girls U13-U19	Shawn Wijeratne	shawn@bethesdasoccer.org

Game Schedule Questions (EDP, CCL, NCSL)

If you have any questions about your team's schedule when it comes to games (rescheduling or cancellations) in the EDP, CCL, or NCSL please contact:

Shawn Wijeratne, Director of Operations

shawn@bethesdasoccer.org

Game schedules are found on the various leagues' websites and for EDP in GotSoccer.

Game Schedule Questions (ECNL, DA)

For questions regarding games in the ECNL or DA leagues, please contact:

Emily Janss, ECNL Administrator

ejanss@bethesdasoccer.org

Zane Campbell, DA Administrator

zcampbell@bethesdasoccer.org

Inclement Weather Policy

Where will information be posted? If practices need to be cancelled due to inclement the club will notify parents about the change through our website, our social media channels, and through TeamSnap/LeagueApps. **The club will do everything in its power to make sure that parents, players, coaches, and managers are notified about weather cancellations or changes as early as possible.**

Some general rules of thumb when it comes to weather

Excessive cold-If the wind chill under 25 degrees practice will be cancelled.

Excessive heat- If the wet bulb globe over 92 degrees practice will be cancelled.

Rain-Cancellation of practice due to rain will typically be at the coach's discretion and/or the policy of the facility.

Snow- If the fields are completely covered with snow practice will be cancelled.

Ice-If there is ice on the roads practice will be cancelled.

Lightning-In the event of lightning all players, coaches, and managers must immediately leave the field. Depending upon the time of day coaches will either opt to cancel practice or can wait out the thunder. If they choose to wait practice can only resume after no lightning/thunder has been spotted in thirty minutes.

No news is good news! If you have not heard anything about events being cancelled, please assume everything is moving ahead as planned.

Safety is always the number one priority! Parents may choose to hold their child out of practice without penalty if they deem necessary for safety reasons. Please direct parents to communicate with their coach about individual decisions.

VIII. Scholarships

Bethesda Soccer Club is pleased to offer a Scholarship program to help families offset club fees. The club has a limited number of scholarships available and the number of players receiving aid and the amount of the scholarship will vary depending on the funds available. Scholarships are funded by contributions, camp and tournament proceeds.

The window for applying for the 2019-2020 player fee scholarship is now closed. However, the club is still offering scholarships to offset the costs of travel. If there were extenuating circumstances from which a player was unable to apply please have the family contact our Office Administrator Zane Campbell at zcampbell@bethedasoccer.org.

All families have been notified of their status as of August 18th, 2019. If for some reason a family on your team did not receive a response back, please have them contact:

Zane Campbell, Office Manager

zcampbell@bethedasoccer.org

IX. Uniforms

The club updates its uniform kit every two years. 2019/2020 is a non-uniform cycle year and players will be utilizing last year's uniforms. However, new players will be required to purchase a new uniform kit. The approximate cost of the kit is \$96 for U08, \$325 for youth sizes and \$345 for adult sizes.

What comes with the standard uniform kit?

Field Players:

- **U08 Kit:** Two Game Jerseys, Two Pairs of Game Shorts, and Two Pairs of Socks
- **U09-U19 Kit:** Two Game Jerseys, Two Practice Jerseys, Two Pairs of Game Shorts, Two Practice Shorts, Two Pairs of Socks, a Hooded Sweatshirt, Warm-Up Pants, and a Backpack

Goalkeepers:

- If your player is a field player (i.e. plays defender, midfielder, etc.) they will purchase the regular kit and can purchase an Adidas goalkeeper jersey for an addition
- If your player plays just goalkeeper, they will receive the standard kit with the goalkeeper jersey substituted in for the game jerseys.

X. Player Numbers

Player numbers are decided by the Age Group Director. If you are not sure about a player's number, please contact Your coach

For more information on Uniforms please contact PJ Sports at 301-365-3355.

- Upcoming programs and events

So, we try and cover a broad range of topics on our social media channels and it is our aim to show as many of our players as possible throughout the season.

So how do I get my team's photos on our social media page? Please email all photos, videos, and articles to our Marketing and Communications Coordinator Sean Maslin at marketing@bethesdasoccer.org.

Some general things that we will also need from you before a post can be made:

1. Player Name if it is 1-2 players. If it is an entire team, we do not need every player's name.
2. Team Name - So for example you can put Boys U12 White
3. If the item is from a tournament the tournament name
4. Just some basic information about the match or the tournament. You don't have to go into a substantial amount of detail, but some basics would be helpful. If it is after a league game you could say "Our U12 White team got together after winning their third straight match in the NCSL on Sunday, defeating D.C. United." If it is a tournament picture you could say, "BU12 placed second at the Bethesda Premier Cup winning each of their last three matches. A great tournament from the players and coach Sean Maslin!"

A couple of other small points.

1. While we are very flexible with what we post we do monitor quality. Often we will ask parents to re-submit a photo or we will try and clean them up through photo editing software. Photos from phones the iPhone can be blurry and are out of focus. Sean will try and make it to every team's games at least once. However, we do encourage you to talk to your parents to see if any of them would be interested in taking photos and video (Many of them already are).

2. Bear in mind we do get several requests to post things on social media and so there may be a bit of a delay between your request and when it goes live. Especially during holiday weekends when many of our teams will be turning in photos. The club also must be sensitive to 'over posting' and so we operate on a first come, first serve basis.
 - a. We will notify you that your email has been received.
 - b. We will try and get it up within 24-48 hours after receiving it. On non-tournament weekends that window will be much smaller, but this is a good rule of thumb.

Newsletter

The club has two newsletters: Parent's Corner and The Patch. Parent's Corner is our Friday newsletter where the club highlights upcoming Programs and Events, Webinars from our partners the Soccer Parenting Association and SportsRecruits, and featured items from our FanStore. The Patch will run once a month throughout the season highlighting player and club achievements, recent club news, and upcoming events.

All BSC managers have already been added to our Newsletter but in case you aren't receiving it you can be added to our list service by clicking [here](#). You can also email us at marketing@bethesdasoccer.org.

XII. Events

Throughout the year BSC will host events aimed at providing players with the opportunity to further their club experience and broaden their horizons.

Some of our upcoming events include:

University of Maryland Men's Soccer Night against University of Indiana (Re-match of the 2018 Division I Championship)-Friday October 18th at 6:30pm at Ludwig Field in College Park

First Year Player Orientation- *Date September 14 (Early-Middle September); Location Wootton High School*

Senior Night Sponsored by SportsRecruits- *Date TBD (Middle October); Location TBD*

XIII. Club Benefits

Sports Recruits

BSC is excited to offer this tool to our recruiting age high school athletes. The Sports Recruits platform allows players to search for colleges based on criteria, create favorites lists, and reach out and contact college coaches directly. A player's coach can help players by identifying good school matches, helping them to review and refine their lists, as well as reviewing communications with college coaches. This is a service that is free to all Bethesda players age 15-18. In addition to a college selection tool, coaches can print roster handouts from this site for the use at recruiting showcases and tournaments.

Players in the recruiting age groups will receive an invitation to sign in and create/update their profiles at the beginning of the season.

Please direct any questions regarding Sports Recruits to Lisa Frates, lfrates@bethesedasoccer.org.

Soccer Parenting Association

Bethesda Soccer Club is a proud member of the Soccer Parenting Association, an organization that helps parents, coaches, and administrators learn about the best practices in creating positive atmosphere for players. As a member of BSC all parents have the ability to access their Parent Education Platform, which provides webinars, blogs, and podcasts from coaches, sports and child psychologists, physicians, and former players on insight in the parent-coach relationship, advice on balancing the physical and mental stresses that players may encounter, and some best practices for making sure that each is having the best experience possible in the game.

Parents can register for free by going through their [website](#).

Discounts at PJ's Sports

Bethesda Soccer Club families are part of PJ's Sports' Family Discount Program. There is no charge to be a part of the BSC discount Program. Just mention you are a member of the Bethesda Soccer club at check out to receive your discount.

What does the discount entail?
